

# We empower your operations

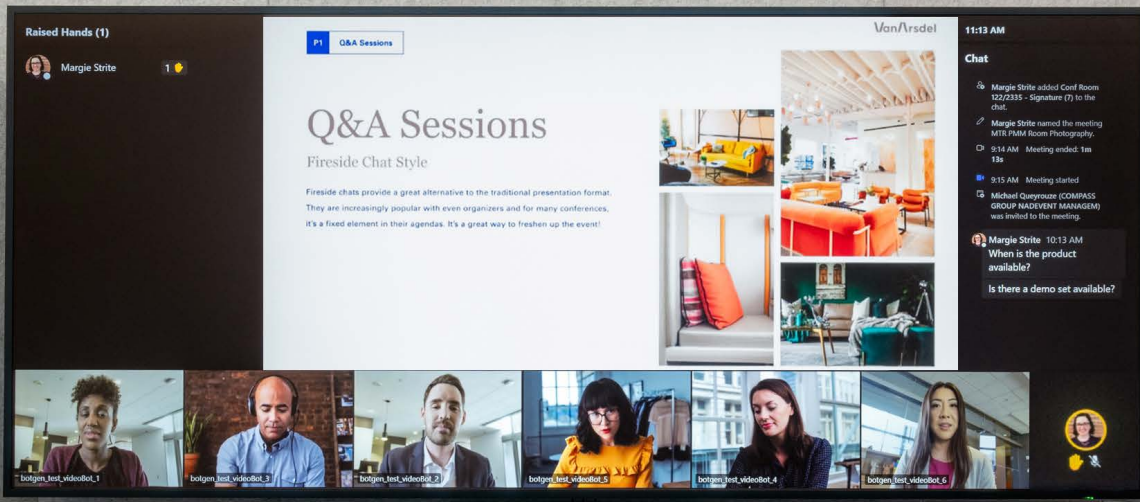

We empower federal agencies, public institutions, private enterprises, and businesses of all sizes with a groundbreaking solution for seamlessly processing and managing multiple streams of data from diverse sources. Our technology ensures this information is displayed clearly and enables centralized control across the entire organization.

## Video Wall Processors

- **24/7/365** Designed for 100% uptime, extreme reliability and resilience
- **Modular** From a single, standalone system to a massive global network of thousands of displays, any configuration is possible.
- **Future Compatible** All Jupiter processors are cross and forward compatible making upgrading and expansion worry-free.
- **3rd Party Agnostic** Jupiter's products integrate with third-party systems, products and platforms.
- **Outstanding support** Mission-critical for you means mission-critical for us too.
- **Made in the USA** on an ISO 9001:2015 production floor.

# We empower your operations

We deliver premium display solutions tailored to meet the highest market standards for diverse environments, including control rooms, meeting rooms, ballrooms, and more. Whether it's customizable dvLED solutions with a range of pixel pitches or stunning 21:9 5K LCD displays in touch, non-touch, landscape, or portrait configurations, we bring your vision to life with larger-than-life results. From the rack to the wall, we provide comprehensive, end-to-end solutions designed to exceed expectations.

## 21:9 5K LCD displays and MicroLED dvLED

- **Leader** First to launch ultrawide 21:9 LCD displays to the market, still the first to innovate and lead with technical features.
- **Modular** Our dvLED solutions can be customized to any size, any form factor with a wide range of pitches from 1.2mm to 0.7mm.
- **Power Sensitive** Energy Star certified, REACH, RoHS, WEEE, MSDS. We are committed to a more sustainable world.
- **Future Proof** Proprietary electronics and manufacturing control (not OEM), continuous product improvements.
- **Outstanding support** Mission-critical for you means mission-critical for us too.
- **Award winning displays** more than 8 industry awards since launch
